Winter's Path

Your gift is instrumental in supporting our mission as we continue to provide quality animal care and marine education to our community.

A commemorative paver is an ideal way to leave your permanent mark, honor someone, or memorialize a loved one. Each paver can

be engraved with your name or the name of a friend, family member or a personal message. Ask for the Winter's Path brochure for more information.

Animal Care

Donations towards the General Fund goes to what is most needed during that current time. Most times it will cover the cost of food, medicine and medical supplies for the animals. Other ways it could be used is water

quality, facilities for improving exhibits and the building.

Gifts to Winter and Friends goes to what is most critical here at CMA, *animal care*. Daily feedings of a wide variety of fish, medical supplies, medicine, water quality and the caring staff who care for our precious animals on a daily basis are a large part of where your money will go to good use. Other uses

could be helping with the progress of Winter's prosthetic tail and rehabilitating the many turtles that enter our facility hoping we can release them back out into the open waters.

Clearwater Marine Aquarium is a unique facility, specializing in the rescue, rehabilitation and release of sick or injured marine animals. All the animals that come through our doors arrive because they were suffering from an illness or severe injury in the wild. We have a 24-hour emergency stranding line (727)441-1790

x234 to report a marine animal emergency, and if an animal needs our assistance in the middle of the night, we will be there.
