## Clearwater Marine Aquarium to host second Limbitless Solutions family

**Clearwater, FL (March 19, 2016)** – On Monday, March 21, 2016, Clearwater Marine Aquarium (CMA) will host another incredible family who has benefited from the Limbitless Solutions group based out of the University of Central Florida (UCF).

During this special visit, Julianna Linton, age 10, will meet famous dolphins Winter and Hope alongside two actors from the *Dolphin Tale* films, Cozi Zuehlsoord (“Hazel Haskett”) and Austin Highsmith (“Phoebe”). A competitive cheerleader from Texas, Linton is missing her left arm due to complications at birth. The young athlete has spent the past week at UCF, where she was surprised with a new 3-D printed arm created by Limbitless Solutions, a non-profit student group dedicated to helping children with limb-loss.

Limbitless Solutions has designed 15 unique bionic arms for children, including another child who was surprised at CMA last summer, at no cost to their families. Featured in CMA’s latest episode of *Rescue-Clearwater*, Annika Emmert, age 10 from California, visited the aquarium last June.

Media are invited to attend. The dolphin session begins at 9:00am with interview opportunities to follow.

The *Dolphin Tale* actors will be making regular appearances at Winter’s Dolphin Tale Adventure from March 21<sup>st</sup> to March 25<sup>th</sup>.
