PIRATES AND EXPLORERS (November 19, 2018)

Bring out your inner pirate as you follow a treasure map around the Aquarium and visit Winter and all her rescued friends. Learn nautical terminology as you navigate around Clearwater Bay aboard a CMA vessel. Discover the parts of a boat while building your very own sailboat to take home. Discuss legends told by ancient explorers as you investigate the anatomy and physiology of squid.

MERMAIDS AND MANATEES (November 20, 2018)

Manatee or Mermaid? Have a magical day learning about Florida's state marine mammal, the manatee. Learn how ancient mariners confused manatees for mermaids. Visit with our Rescue Team and learn how they assist with manatee rescues. Tour the Aquarium, and dive deep into mermaid activities as you create your own mermaid bag.

UNICORNS AND NARWHALS (November 21, 2018)

Step into the role of a researcher as you search for the elusive narwhal during an adventure around the Aquarium. Campers will learn all about the "unicorn of the sea," the narwhal, and the place it calls home. Discover what it takes to live in a cold environment while playing in our snow-ground.
