

## Nicholas the Rescued Dolphin Predicts the Chiefs to Win Super Bowl LIV

*Nick adorably picks the Chiefs to Defeat the 49ers in Super Bowl LIV*

**CLEARWATER, FL (Jan. 31, 2020)** – Nicholas the rescued dolphin at Clearwater Marine Aquarium (CMA) is famous for his delightful predictions of sporting events. Today, Nicholas chose the Kansas City Chiefs to defeat the San Francisco 49ers in the 54<sup>th</sup> Super Bowl. Fans watched Nick make his prediction on CMA’s Facebook live stream. This was the fourth time Nick picked the Super Bowl winner. Nicholas accurately predicted the winners in 2017 and most recently accurately predicted the 2019 World Series winners.

- How it worked: Nicholas is presented with a choice during his normal enrichment activities. For this prediction, Nicholas was presented with the choice between a 49ers or a Chiefs logo. Today, he chose the Chiefs as his predicted winner!

Nicholas is a rescued bottlenose dolphin that was found stranded with severe sunburns. He was orphaned and unable to learn necessary survival skills as a calf, therefore he became a permanent resident at Clearwater Marine Aquarium. Making unbelievable sports predictions is just one of Nick’s many talents he has demonstrated and a special part of his animal enrichment.

Clearwater Marine Aquarium encourages all college football fans to visit for half priced admission when wearing their favorite NFL team’s logo apparel during CMA’s Tail-Gate Weekend. This offer runs January 31<sup>st</sup> through February 2<sup>nd</sup>.

###

### **About Clearwater Marine Aquarium:**

Clearwater Marine Aquarium (CMA) is a 501(c)(3) nonprofit working marine rescue center dedicated to inspiring the human spirit through leadership in education, research, rescue, rehabilitation and release. CMA is home to rescued dolphins, sea turtles, river otters, stingrays, nurse sharks and more. Winter the dolphin’s story of survival, after an injury that caused her to lose her tail, has impacted millions of people around the world. Major motion picture *Dolphin Tale* (2011) features Winter’s story and its sequel *Dolphin Tale 2* (2014) features the incredible story of Hope, a young resident dolphin of CMA. Through Clearwater Marine Aquarium Research Institute, CMA conducts important global research focused on protecting manatees, right whales and sea turtles. The mission and potential to change people’s lives differentiates Clearwater Marine Aquarium from any other aquarium in the world.

**WE BELIEVE** in preserving our environment while inspiring the human spirit through leadership in the rescue, rehabilitation, and release of marine life, environmental education, research and conservation.
